

1. Background

Founded in 2020 by a team of consultants, the Research and Capacity Building for Sustainable Development (RCSD Consultants Ltd), is based in Kicukiro Rwanda. The Firm offers a wide range of professional services on research, impact assessment, projects/programs evaluations, business advisory services and mentorship, etc. The Firm relies its capacities in a team of qualified, experience and dedicated professionals/associates. We have six Doctors (PhDs) holders, nine Masters Holders and fifteen Bachelor's degree graduates who make the core team of the Firm. Most of our consultants (team leaders) have more than 15 years' experience in economics, rural development, agricultural economics, climate change, applied statistics, etc.

2. Vision Statement

To be a trusted consultancy leader in socio-economic research, evaluation, and advisory services, driving inclusive growth, resilient communities, and sustainable development in Rwanda and beyond.

3. Mission Statement

RCSD Consultants Ltd delivers high-quality socio-economic research, impact assessments, and capacity-building services. We partner with governments, civil society, and development agencies to generate actionable evidence, strengthen institutional capacities, and design solutions that promote equity, innovation, and sustainable livelihoods.

4. Previous relevant experience

RCSD Consultants Ltd has successfully implemented a diverse portfolio of research, evaluation, and advisory assignments for leading international NGOs, civil society organizations, and donor-funded projects. The examples below highlight our proven capacity to deliver rigorous methodologies, actionable insights, and evidence-based recommendations across multiple socio-economic sectors.
